---

Hello [www.ceramicartspace.com](http://www.ceramicartspace.com) Online friend!

Welcome to the new, free and always updated [www.ceramicartspace.com](http://www.ceramicartspace.com) online E-Catalog. This catalog is broken down by the same name categories that are in our directory and are contained in pdf files for faster and easier viewing/printing. If you do not have Acrobat Reader software, you may get a free copy by clicking the link at the bottom of the main catalog page. Once you open the pdf file you wish, you may print one page or all. It's up to you by selecting the options on your print screen. All prices are in US dollars.

Because of the high cost of producing, printing, mailing, updating and environmental concerns, we think this is a great alternative for anyone who needs a paper catalog. We change our inventory several times weekly making conventional catalogs old before they are printed. We update our E-Catalog instantly after a change has been made on our web site. We want to keep our prices low and pass along the savings to you. As always if you have any questions you may email us at [info@cermicartspace.com](mailto:info@cermicartspace.com) and we always reply in minutes not weeks!

Thank You
